

BLUEPRINT DANCE

2026

Blueprint Dance Festival is dedicated to providing dancers and dance makers from Durango and beyond with a platform to perform, develop, and share their work with the community. The festival prioritizes mutual support. Dance belongs to us all and is a powerful tool for connection, communication, and community. At its core, this festival provides a platform for the local dance community and a collective investment in the vitality of local dance.

Blueprint Dance Festival is hosted by the Dandelion Dance Collective, artistic director: Julianna Zastrocky.
